Show, by your actions, that you choose peace over war, freedom over oppression, voice over silence, service over self-interest, respect over advantage, courage over fear, cooperation over competition, action over passivity, diversity over uniformity, and justice over all.

Hildegard of Bingen (1098-1179)

Sacred Words: I am that supreme and fiery force that sends forth all living sparks. Death hath no part in me, yet I bestow death, wherefore I am girt about with wisdom as with wings. I am that living and fiery essence of the divine substance that glows in the beauty of the fields, and in the shining water, and in the burning sun and the moon and the stars, and in the force of the invisible wind, the breath of all living things, I breathe in green grass and in the flowers, and in the living waters. . . .All these live and do not die because I am in them I am the source of the thundered word by which all creatures were made, I permeate all things that they may not die. I am life!
