Subject: Professor K.-K. Hwang passed away during sleep yesterday at age of 78

Dear Louise,

Could you pass the sad news to our IP members? Many thanks.

We would like to share with you a bad news that Professor K.-K. Hwang passed away during sleep yesterday at age of 78. We lost a true friend, mentor and our greatest supporter.

The Chinese Indigenous Social Science Association will organize the memorial conference and a special issue of Chinese Indigenous Social Science Journal for Professor's Hwang contribution to the indigenous social science in Taiwan.

Yung-Jong

Yung-Jong Shiah, Ph.D

Professor, Graduate Institute of Counseling Psychology and Rehabilitation Counseling; Director, Student Counseling Center, National Kaohsiung Normal University, Taiwan

Emeritus Professor, Hui Lan College, National Dong Hwa University, Taiwan

President, Chinese Indigenous Social Science Association
