

Resilience and Awe Symposium

From: [Kirk Schneider](#)

Dear all,

A brief note to encourage your attendance at the May 10-11, 2021 Resilience and Awe Symposium, cosponsored by Columbia University and the New York City Police Department:

<https://www.resiliencesymposium.org>

Featured speakers include Dacher Keltner, Michelle Shiota, Jennifer Stellar and others presenting various aspects of their findings on awe and resilience from both quantitative and qualitative research. I will be speaking on May 10 (session 3) on "The Power of Awe to Individually and Collectively Heal." It should be a timely and informative webinar and I hope some of you can join us.

Warm regards,

Kirk Schneider

PS my talk is May 10th from 1:45-2:45pm Eastern. but the whole conference begins with Kelter's opening keynote earlier that day. I've attached a power point here.
