Dear Snowflakes,

Here is the link to Thursday noon's session (EDT). Ralph suggests that for those that have the book, Vibrations & Forms, but may not have the time to consume it all, that you read the last chapter on Vibrations and Spiritual communications. I will as usual, open the session for early joining/chatting about 15 min early. Ralph is a very fascinating guy with an interesting life's trajectory. Hope you will join us for an enjoyable time.
