

Dear Colleagues,

Please join a new Theoretical and Philosophical Psychology Exchange Worldwide (TPPEW) special interest group. We will brainstorm possibilities for the international conceptual and professional exchange, and then discuss the inter-division educational initiative from Div 52 President-Elect Merry Bullock.

The meeting will take place on Saturday, August 5, 9-9:50am, in Div 24's hospitality suite (12th floor, Renaissance Hotel).

I look forward to seeing you there; if you cannot make the meeting, but wish to stay informed and otherwise engage, please email me directly [olouchakova at gmail dot com](mailto:olouchakova@gmail.com).

Olga
