Subject: Connecting at APA 2026

Dear All,

It is with gratitude that this year I got sponsorship to attend the conference in person to give an invited address (organized by the currency president of Div 12 Society of Clinical Psychology), on the topic of "Beyond the Lab—Proposing a Decolonial Psychologies Research

Paradigm" (with CE). Here is the session details:

Friday, August 7th

01:00 - 02:00 PM

(Div 12)

Authors: Lynn H. Collins, Rachel Sing-Kiat Ting

Location: Walter E. Washington Convention Center, Street Level, East Salon A

I will share about a research paradigm of IP and how it contributes to Decolonial psy agenda. Hope to have your constructive inputs there if you are attending.

There are two other events I am involved as presenter this year which I hope to connect with global audiences:

Friday, August 7th

02:30 - 03:30 PM

Critical Conversation (Global Committee of Psychology): Psychology Without Borders:
Lived Experience of Global Psychologists

Authors: Rachel Sing-Kiat Ting

Location: Walter E. Washington Convention Center, Street Level, 147A

Poster session:

Assessing the needs of
clinical supervision in Maldives: A
mixed-method study

Hall D, Solutions Center, Posters - Walter E. Washingto
Convention Center, Level Two

Thu, Aug 06 : 04:00 PM - 05:00 PM

Division 52 Poster Session

Hall D. Solutions Center, Posters

Feel free to share the info who might be interested to engage during APA 2026.

Best Regards,
